Gentlemen:

Reference is made to subject letter which requested the Government for official authorization to publicize the Viewer under development and its concept.

The Sponsor has no objection to [redacted] publicizing as requested in subject letter. The end items of work being performed under Subject Contract, as you know, are unclassified. It should be specifically understood however, that advertisement will more than likely subject [redacted] to questions concerning the Sponsor and therefore, the Contractor is specifically cautioned not to reveal either the Association of the Sponsor with subject Contract, or any aspect of the Sponsor's relationship and support to the Viewer Program.

25X1A

The Government also cautions [redacted] that the Viewer will not be considered complete and running until a Satisfactory grating is produced and tried in the system.

25X1A

This point is presented to enable [redacted] to protect their commercial position and not overstate capabilities that have yet to be actually proven.

25X1A

Should any further questions relative to this matter arise, do not hesitate to contact the undersigned.

Very truly yours,
